Parents and Children

Welcome to Year Six!

What an exciting year ahead we have together! I am really looking forward to teaching you in your final year at Primary School.

This year is all about getting academically, independently and socially ready for the next step in your learning—Secondary School. In the first term your parents will select with you the best places for you and in school we try to get you as ready as possible for that next step.

Independence is a big feature of this year you will receive homework every night (about 30 mins) and I hope you will read and learn your spellings as well. This

**RE, SCIENCE, GEOGRAPHY,
HISTORY, ART, DT, PSHE,
COMPUTING & PE**

For more information on what we are studying in these subjects please visit the school website and check the Y6 Autumn 1 overview. Your child will bring home a knowledge organizer which will be packed full of information and vocabulary to help

homework will reinforce the work which we do in class and will enable you to achieve your best. These time management skills will help at Secondary School.

**ENGLISH - READ, READ
READ.** Even at Y6 it is important that your child reads every night, and to you at least once a week. Your child will read regularly to an adult in school where we will focus on their fluency, understanding and vocabulary development. We will develop our comprehension and writing skills in school please see the website overview for more information.

SPELLING The children will be

you help them with their learning.
PE

This year we have the benefit of extra sports funding from the government. Year Six will have PE each Friday afternoon and in the autumn term this will be outdoor invasion games then indoor athletics

WATER - children should have a 'sports-cap' type bottle in school.

taught spellings and will receive the spellings that they have been learning via Purple Mash - they will be encouraged to share these at home with you.

MATHEMATICS Once again we will be providing maths curriculum which will revisit and embed prior learning as well introducing new concepts. This will ensure that close any gaps in your child's understanding. We will look in detail at ...Place value, addition, subtraction, multiplication, division, fractions and Geometry—position and direction ...Phew!

If you have any questions at all please ask.

TIMES TABLES – Y6 Please learn them they are **ESSENTIAL!!!!!!!**

ROBINWOOD

Monday 4th Nov - Wed 6th Nov

We will have a meeting this term to answer any questions and handout information.

We look forward to the new term with you, should you have any questions please do not hesitate to ask. - Mr.Cross
